

TRAINING & INTERNSHIP CERTIFICATE

This is to certify that

Preetha S

has successfully completed 1 Month Training + Internship Program on "**Arduino Basics**" with "**LearnElectronics India**".

Training Date: 9th September 2021 - 9th October 2021

Concepts Covered - LED blinking, LED brightness Control, PWM, controlling Relay, Interfacing DC motor, Ultrasonic sensor & Buzzer with **Arduino**.

Projects -

1. Measuring Object Distance using Ultrasonic Sensor & Arduino.
2. Making a Keyboard/Piano using multiple Buzzers & Arduino.
3. Understanding & Building a Line Follower Robot.
